This Christmas season, *Royal City Youth Ballet Company* again presents the traditional "NUTCRACKER", loved by all, with beautiful sets, extravagant costumes, and featuring a cast of talented, dedicated and enthusiastic young dancers.

The "NUTCRACKER" comes to life in November and December, 2009 in the Lower Mainland, bringing *Magical Soldiers, Mice, the Sugar Plum Fairy* and a *growing Christmas tree*, all danced to the beautiful music of *Tchaikovsky's Nutcracker* score with the *Waltz of the Flowers, Dance of the Reed Pipes* and many other favorites.

The performance is one and one-half hours in length, including the intermission at which time *Dolores Kirkwood, Artistic Director*, will involve the students in a question and answer period. We ask that all students remain in their seats throughout this intermission and that theatre etiquette be practiced at all times. No food or gum is allowed in the theatre and general courtesy is expected. Classes will be personally ushered to a designated seating area and are to be seated 15 minutes prior to the performance. Tickets will not be issued.

*Royal City Youth Ballet Company has a commitment to instill in our Youth an appreciation for the Arts.*
